Re: Permit Fee Due for New Notice of Intention to Commence Small Mining Activities, M&M #1, 2 & 3 Project, S/025/024, Kane County, Utah

Dear Mr. Powell:

Thank you for forwarding the two Notices for Joseph M. Caruso's, M&M #3 Project, located in Section 30, T40S, R7W, and M&M #1&2 project located in Section 35, T40S, R8W, SLBM, Kane County, Utah. We received the M&M #3 notice March 26, 1999 and the M&M #1&2 notice on April 2, 1999. You advised us that you were combining the two notices under one file number; therefore, we will also amend the M&M #1&2 to the M&M #3 file as one project. Your agency's designated number for this project is UTU-70774.

The Division has evaluated the Notices under the small mining section of our Rules. The notices meet the information requirements of Rule R647-3 of the 1988 Division of Oil, Gas and Mining Minerals Rules; however, a fee of \$100.00 is required in order for this permit to satisfy the Utah Mined Land Reclamation Act of 1975, Title 40-8-7(I) Utah Code Annotated. During the 1998 legislative session, the Utah Legislature authorized the collection of permit fees for new applications and existing permits in the Minerals Program to begin July 1, 1998.

A \$100.00 permit application fee is required before the Division can authorize commencement of the small mining operation. We will provide the operator with written authorization to begin operations after we receive the application fee. We will send the operator a copy of this letter, along with a billing statement for the required fee.

Thank you for your cooperation. If you receive additional information or amendments for this operation, please notify us so we can update our files. Please reference our designated file number S/025/024 when forwarding additional information on this project to us. Do not hesitate to call me at (801) 538-5321 if you have any questions regarding this letter.

Sincerely,

Tom Munson
